Please do not come in the room before we open the doors to release the kids, please wait in the hall. Both front and back doors to the building will be open so you may choose which entrance you prefer. The cubbies in the downstairs hallway are for preschool, each child will have one to put all their belongings in, please have your child take off their shoes before coming into the Giggletime room.

Show & Tell

We have show & tell on either Monday/Tuesday every week.
Please have your child bring an item and leave it in their cubby.

Tumbling, Dance & Gym Time

Please have your child wear something they can freely move in and be comfortable enough to do all sorts of exercises in. No clothing with buttons or zippers. Bare feet or socks are perfect for tumbling. For dance your student will need Tap & Ballet shoes (girls) or Tap & Jazz shoes (boys) We have a spot for you to leave them with us so that you don't have to remember them every week. 123 Look at Me! Dance Boutique on the Palmer Wasilla Highway is a great place to get jazz or tap shoes for the boys. Target is a great place for the girls shoes.

Performances & Costumes

Costumes are paid for as part of your registration fee. In the occurrence that we are still unable to have a recitals due to Covid, we will credit your account with the costume portion of your registration fee. But its a new year and we have high hopes! More information will be supplied as we see how the pandemic plays out.
Thank you for being flexible.

Snacks & Water Bottles

We provide a small snack every day. Please let us know if your child has any allergies. Please have your child bring a water bottle with their name on it to class everyday. Please make sure it's filled with only water. We do prefer water bottles that are easy for the kids to manage by themselves.

Class Time

The first part of class is play/free time for the kids as we wait for everyone to arrive. It's the only time we spend playing with toys. We spend 30 minutes of our class time with circle time where we spend time learning all basics such as colors, numbers, seasons, shapes, days of the week, calendar, patterns, letters and more. We also have show & tell, tumbling, dance, gym time, art, worksheets, snack, table time, reading, music, science, and so much more. Each week we have a different theme to learn about that keeps our routines interesting. We have so much fun!

Bathroom Time

Your child MUST be potty trained in order to attend school. ABSOLUTELY NO DIAPERS OR PULL UPS. Our classroom is near multiple bathrooms. The children are allowed to go whenever they need to. We have certain times we ask each child individually if they need to go but if your child is one that gets distracted easily and forgets to go until it's too late let us know and we will remind them often.

Newsletters

We try to keep everyone informed as much as possible. You will receive monthly newsletters letting you know upcoming information and reminders but please feel free to ask us questions anytime you need to. Newsletters are handed out at the beginning of the month, posted on the bulletin outside our classroom door, and posted online on our website and your parent portal.

Birthdays

You are more than welcome to bring cupcakes or some special treat to class for snack time on or near your child's birthday. We will sing to them and have them wear a crown and pick a birthday prize. Just give us a reminder heads up when it gets close so we can make sure there are no allergies! Nothing with nuts please.

Payments

Please make your monthly payments at the beginning of each month. You can pay upstairs at the front desk. We accept cash, card or check. You can also pay online this year in your "Parent Portal". More information will come regarding this convenience. Late fees will occur if a payment has not been made by the 15th of each month.

Teachers

We take 15 kids per class. We have 2 to 3 teachers per class in order to keep the teacher to student ratio small.
