

## **Sonja's Studio of Performing Arts LLC**

### **Spring 2022 Covid-19 Rules and Regulations**

Thank you for enrolling in Sonja's Studio classes. We are so excited and happy to spend time together advancing our love of the performing arts. In an effort to keep our staff, students, and community safe, we ask that you help us in keeping everyone healthy.

If you or your student are sick: PLEASE STAY HOME.

#### **Guidelines are subject to change depending on the Covid Pandemic status.**

Participants must agree NOT to participate in a studio class if they:

1. Are exhibiting the current CDC recognized symptoms consistent with COVID-19;
2. Have knowingly been in contact with a suspected or positive case of COVID-19 within the past 5 days;
3. When recovering from a case of COVID-19 are less than 5 days from onset or less than 72 hours since the end of significant symptoms or fever for any illness.

Participants must agree to inform someone from Sonja's Studio if they have tested positive for Covid-19 within five days of participation in any activity associated with Sonja's Studio.

If a student/teacher tests positive for Covid and a class is considered to be close contacts, that class may have to be canceled for a week until symptoms are monitored. This will be dealt with on a class by class basis. Tuition will not be reimbursed for such closures. Children/adults that are vaccinated or children/adults within 90 days of recovering from Covid will not be considered a close contact and may still attend class.

Please see our "sick...when can I come back?" poster (located around the studio or on our website) to help you figure out when you or your student may return to class.

Sonja's Studio of Performing Arts will not be held accountable or responsible for any contracted illness. Thank you for working together to keep everyone healthy. We will work hard to protect your family.
