What We are Learning:

Happy March! This semester has been fantastic, and we love seeing how much the kids have grown since the start of the school year. This month, we'll dive into some fun themes: Dental Health, Parts of the Body, and Oceans. We'll also wrap up the alphabet with letters X, Y, and Z, focus on numbers 24-27, review shapes and colors, and begin preparing for our graduation program!

SCHOOL PICTURES:

Fitzgerald Photography will be at the studio on April 14 & 15 to take individual and class pictures. Individual photos will only be taken if you have pre-purchased credit through Fitzgerald Photography. Keep an eye on your inbox in April for an email from them with more details as picture day approaches. Students can choose to wear school clothes, a cap & gown, or their dance costume for individual pictures—one, two, or all three! Class pictures will be taken in school clothes. All photos will be taken during regular class time.
