

A+ ACADEMY NEWSLETTER

A NOTE FROM MS. TOWNSEND

Happy New Year A+ Families!!! I hope you all had a wonderful Christmas! I can't wait to hear about all the Christmas and vacation fun- I always love all the stories! I'm excited for the new semester- we have a lot of snowflake and frozen science fun to try, and some great winter books to share that are some of my favorites! We will continue to work on our reading - focusing on long and short vowel sounds this month. We will do a bit more with story problems (addition and subtraction) as well as working on teen numbers and counting by 10s and adding ones. We will do some initial handwriting review, and then really work on our journals this spring semester. We will do a mini lesson each day and then practice that skill in our writing journals. I am excited to welcome a couple new students and I look forward to a fantastic 2022!

A few reminders:

SEMESTER DATES:

Spring semester dates for A+ Academy are January 3rd - April 28th. We are closed the full week of Spring Break March 7th-10th.

DANCE FUN:

Please double check that your child has dance shoes that still fit. There will be a dance recital at the end of the semester! Mark your calendars for April 29th & 30th.
