

GIGGLETIME PRESCHOOL NEWSLETTER

A Note from the Teachers:

Happy April Giggletime families! We are so excited for Spring. We have a jam packed schedule and are excited to get started. This month we are finishing our semester with the themes: Dinosaurs, Oceans, Spring/Flowers, and Earth Day! We have finished our alphabet and will continue to review it, as well as our numbers, shapes and colors. The Kids have been working hard on their end of the year presentation.

They can't wait to show you!

Reminder:

If you haven't already, find us on facebook. We have been uploading weekly pictures of everything we do in class. Getting information out of the Kiddos isn't always easy, so this is a fun way to see what we have been up to.
